The iMR 5 Step processes for those who have destructive behaviors.

TEAM support, involvement, and continuous communications can be the **Compliance Hammers** for many clients.

30,000 Clients have been involved in iMR - 5 Step processes.

Intense Case Management processes have had positive results for:

1. Medical Personnel – Nurses, Physicians, Dentists, etc
2. Transportation Personnel - (DOT), Aviation (HIM)
3. Other Critical Employees

The **Compliance Hammer** is the job and the supervising agency.

iMR WEB DESIGN

1. Minimize Manual Data Entry Tasks
2. Structured to suit Clinician Habits
3. Data = auto INPUT and OUTPUT
4. Menu - Configuration Options – no codes
5. **ASAM** Criteria and Grid – Objective
6. **DSM-5** – Disorders
